

LIONS CLUB DISTRICT 11 A1 MEAL PACKING EVENT

To: All District 11A1 Lions Clubs

Hi Friends,

On behalf of the District 11A1 Leadership and our Global Action Team, we are pleased to announce the next District-wide Service Project, our 2023 Kids Coalition Against Hunger Meal Packing Event. District 11A1 will Co-sponsor this Event with Kids Coalition Against Hunger and Wayne County Community College District – Downtown Campus.

Details of this Event can be found in the attached FLYER.

As a Co-Sponsor...

Kids Coalition Against Hunger will provide all of the food, supplies, equipment and training needed to package 25,000 meals.

WCCCD will provide the facility, student volunteers and additional support as needed.

District 11A1 will provide the funding and Lions volunteers needed to purchase the food, pack the meals and then distribute the meals to Food Pantries throughout our District.

HOW CAN YOU HELP?

Meals cost \$ 0.35 each. 25,000 meals will cost \$8,750.00. Please consider making a donation to help us cover this cost. See the Event Flyer for donation details.

110+ volunteers will be needed. Please use the On-Line Registration Link to volunteer a few hours of your time on Saturday morning, June 10th, to help pack meals. Additional help will be needed for set up and tear down.

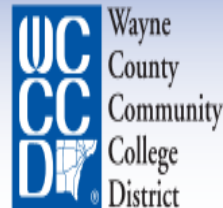

Identify and deliver a share of the meals packed at this Event to a Food Pantry serving your community. (Details to follow)

Meal Description: Each Food Packet contains 6 adult servings of a nutritionally balanced selection of dry ingredients (rice, soy, vitamins, minerals, flavorings and dried vegetables) suitable as a soup starter. Food Packets are then packaged 36 per case, or 216 adult meals per case.

Please show your support for this District-wide Service Activity and help Lions feed the hungry within your community and throughout District 11A1.

Most sincerely,

Your District 11A1 Leadership Team

FOR IMMEDIATE RELEASE
 Lions Club International Celebrates over 100 Years of International Service!

In honor of our 100+ years of International Service
 The Lions Club of Michigan has been given a proclamation from
Detroit Mayor Mike Duggan and Michigan Governor Gretchen Whitmer declaring
April 28th through May 7, 2023
"White Cane Week"

We will convene in front of the Spirit of Detroit statue in Downtown Detroit at
 11:00 am - Thursday, April 27, 2023 for our District Governor to receive these prestigious
 honors as we start receiving donations towards

"White Cane Week" throughout District 11A-1 and other Districts in Michigan

In 1937 the "White Cane Law" passed, to bring awareness to the public of the importance of being cautious when they see Pedestrians with white canes. The white cane represents the advancement of the blind and visually impaired movement from dependence to independency within the community...the Lions Clubs of Michigan and the State of Michigan have celebrated "White Cane Week" annually over the past 30 years. "We Serve" together and need your support! Please Meet Us There!

The International Association of Lions Clubs was anything but international when formed in Chicago in 1917. At its inception, about two dozen clubs were scattered around the central United States in places such as Arkansas, Colorado, Illinois, Oklahoma and Texas. In 1920, Lions became truly international with the establishment of its first club outside U.S. borders in Windsor, Ontario, Canada. Located across the river from Detroit, Michigan, Windsor was a bustling, border town in 1920, benefiting from the region's booming automotive industry. Detroit, birthplace of the moving automobile assembly line, had just formed its own Lions club earlier that year and word was quickly spreading about the association. Windsor's volunteer-minded citizens were intrigued. Through Lions Clubs, we serve growing communities and improve the lives of our neighbors. Today, Approximately 30 million Americans receive assistance from The Lions Club International (LCI) each year through a range of social services. LCI is the World's Largest Service Club Organization with 50,000 clubs and over 1.4 million members make us the world's largest service club organization...and one of the most effective! Lions Clubs help our local communities with various tailored projects as well as District and their projects such as Leader Dogs for the Blind, the Lions of Michigan Hearing Center, Everlight, Perwickson Center for Blind Children, Beaumont Silent Children's Fund, Greater Detroit Agency for the Blind, DRES, Bear Lake Camp, and the Madonna University Hearing Program. Just to name a few. Don't forget to learn more about our Lions of Michigan Service Foundation who help us many throughout the State of Michigan.

EVERSIGHT DISTRICT PROJECT

Michigan Updates

In September, Eversight was grateful to once again participate in the annual Michigan Donor Family Gathering in partnership with Michigan's organ procurement organization, Gift of Life. Over 200 families convened at the Suburban Collection Showcase in Novi and virtually to honor their loved ones and hear more about the impact their gifts made on the lives of eye, organ and tissue recipients.

Eversight could not do this work without the dedicated support of individuals like you and the community of donor families, recipients, contributors, Lions Clubs and more who help to create a world without blindness.

If you have any questions or would be interested in scheduling time to talk more, please reach out to me at (734) 780-2616 or afrederick@eversightvision.org anytime.

Our Mission is to develop leadership skills, build confidence, and to provide a premier outdoor educational and recreational experience year-round to all persons, regardless of ability.

12/28/22

Hello Governor,

Hopefully you know about the Lions of Michigan Bear Lake Camp located north of Lapeer, MI. If not, the Lions Bear Lake Camp program is a unique camp because it serves children who are medically fragile, hearing challenged, managing a chronic disease and/or have serious health issues. Children ages 6 to 16 will attend the summer camp program from free to significantly reduced rates.

The Mission of Lions Bear Lake Camp is to provide a premier educational outdoor recreational experience for children with special needs.

About 15 years ago, the Romeo Lions Club donated golf carts for the camp to transport the children through – cottages, dining building, lake area, arts and craft building, etc. The carts have now worn out and need to be replaced. This is where I need your help!

After doing the research, there is a company in Ohio that has given the best quote for the golf cart models that will work for our purpose.

There are 400 Lions clubs in the State, if every club donates \$100, the cost of these new golf carts will be covered.

Governor, please distribute this letter to all the Lions Clubs in your district.
