GDABVI Successes and challenges

Greater Detroit Agency for the Blind and Visually Impaired

Saturday, April 20

Panel discussion: *Cathy McAdam: Board Chair, Deborah Love: Finance chair, Jim Smock: executive director, KaShonia Graham outreach coordinator*

Join us in this breakout session to receive updates regarding the agency.
This is an interactive workshop!

We'll give updates on board membership and goals and entertain questions you may have about the direction and activity of the agency staff programs and activities, and future plans.

Please have some questions ready to ask the panel. Because we know there may be many questions, we would like to keep comments and questions to 1 min to address as many as we can.
